Disposal Center Relocation Update – April 16, 2026

The Sub-Committee has been meeting and making progress on planning for the relocation of the Disposal Center to 654 Glover Road.

Current Cost Estimate is:

Site Prep	$15,000
Relocation Equipment (includes Concrete Pads)	$20,000
Building	$40,000
Site Improvements (Fencing/Lighting)	$45,000
TOTAL	$120,000

Attached is a Draft Schedule. Building construction would only occur if approved at the Electors' Meeting.

Attached is a Draft Bid Package (assumes building approval at Electors' Meeting).

Proposed Motion

The Town Board authorizes the expenditure of up to $120,000 for the relocation of the Disposal Center, with the following guidelines:

1. Town staff may publish bids for work necessary to implement this project
2. No expenditure on Building construction will occur without approval of the Electors in accordance with state law.
3. Town staff will follow state bidding law for all construction activities, and no bids will be awarded without express approval from the Town Board.
4. The Town Administrator may enter into an agreement for the delivery of gravel for the Disposal Center site in an amount not to exceed $15,000.
