## GENERAL REZONING PROCEDURE

The following process takes anywhere from 60 to 90 days to complete.

**Step 1, Pre-Application Meeting:** Prior to submitting an application the landowner or their agent must schedule a meeting with the Town of Troy staff to discuss the application and the process.

**Step 2, Application Submittal and Review:** Applications are due on the **1<sup>st</sup> Monday** of the month. Applications will not be accepted if the applicant has not met with staff prior to submitting an application. The application must include all items identified on the checklist. After a preliminary review, additional information may be requested. Once it has been determined that all requested information has been obtained the application will undergo a staff review.

**Step 3, Public Hearing:** All rezoning requests are subject to a public hearing before the Town of Troy Plan Commission. A notice of the hearing is published in local newspapers for 2 weeks prior to the scheduled hearing date. At least 10 days prior to the public hearing, notice of the hearing is also sent to all adjacent property owners lying within 300 feet of area proposed to be rezoned and to the clerk of any town within 1,000 feet of the property. Hearings are typically held on the 1<sup>st</sup> Thursday of the month (subject to change) following completion of the staff review.

**Step 4, Troy Town Board Approval:** Upon review by the Plan Commission, a recommendation is forwarded to the Town Board for action at their next regularly scheduled meeting. If approved by the Town Board, the rezoning is complete, pending any conditions that may have been placed on the approval and pending St. Croix County approval of the Official Town of Troy Zoning Map.
