Creating Town of Troy Ordinances Chapter 130
Special Assessments and Charges

The Town Board of the Town of Troy does hereby create the Town of Troy Special Assessments and Charges Ordinance and does ordain as follows:

1. Chapter 130 is hereby created to read as follows:

Chapter 130

SPECIAL ASSESSMENTS AND CHARGES

§ 130-1. Authority to Levy Special Assessments.

- A. The Town of Troy by resolution of its Town Board may levy and collect special assessments upon property in a limited and determinable area for special benefits conferred upon such property by any municipal work or improvement and may provide for the payment of all or any part of the cost of the work or improvement out of the proceeds of the special assessments.
- B. The amount assessed against any property for any work or improvement which does not represent an exercise of the police power shall not exceed the value of the benefits accruing to the property therefrom, and for those representing an exercise of the police power, the assessment shall be upon a reasonable basis as determined by the Town Board.

§ 130-2. Resolution and Report Required.

- A. Prior to making any such special assessments, the Town Board shall declare by preliminary resolution its intention to exercise such powers for a stated municipal purpose. Such resolution shall describe generally the contemplated purpose, the limits of the proposed assessment district, and the number of installments in which the special assessments may be paid, or that the number of installments will be determined at the hearing required under § 130-5 of this Chapter and direct the proper municipal officer or employee to make a report thereon. Such resolution may limit the proportion of the cost to be assessed.
- B. The report required by § 130-2.A shall consist of:
 - (1) Preliminary or final plans and specifications.
 - (2) An estimate of the entire cost of the proposed work or improvement.

- (3) An estimate as to each parcel of property affected of:
 - (a) The assessment of benefits to be levied.
 - (b) The damages to be awarded for property taken or damaged, if any.
 - (c) The net amount of such benefits over damages or the net amount of such damages over benefits.
 - (4) A statement that the property against which the assessments are proposed is benefited, where the work or improvements constitute an exercise of the police power. In such case, the estimate required under § 130-2.B(3) shall be replaced by a schedule of the proposed assessments.
- C. A copy of the report, when completed shall be filed with the Town Clerk for public inspection.

§ 130-3. Costs to be Paid by Special Assessment.

The cost of any work or improvement to be paid in whole or in part by special assessment on property may include the direct and indirect cost thereof, the damages occasioned thereby, the interest on bonds or notes issued in anticipation of the collection of the assessments, a reasonable charge for the services of the administrative staff of the Town and the cost of any architectural, engineering and legal services, and any other item of direct or indirect cost which may reasonably be attributed to the proposed work or improvement. The amount to be assessed against all property for any such proposed work or improvement shall be apportioned among the individual parcels in the manner designated by the Town Board.

§ 130-4. Exemptions; Corner Lots.

- A. If any property deemed benefited shall, by reason of any provision of law, be exempt from assessment therefor, such assessment shall be computed and shall be paid by the Town.
- B. A parcel of land against which has been levied a special assessment for the sanitary sewer or water main laid in one of the streets upon which it abuts shall be entitled to such deduction or exemption as the Town Board determines to be reasonable and just under the circumstances of each case when a special assessment is levied for the sanitary sewer or water main laid in the other street upon which such corner lot abuts. Under any circumstance, the assessment will not be less than the long way of such lot. The Town Board may allow a similar deduction or exemption from special assessments levied for any other public improvement.

§ 130-5. Notice of Proposed or Approved Project.

On the completion and filing of the report required in § 130-2.C. of this Chapter, the Town Clerk shall give notice stating the nature of the proposed or approved work or improvement,

the general boundary lines of the proposed assessment district, the place and time at which the report may be inspected and the place and time at which all interested persons, their agents or attorneys may appear before the Town Board or committee thereof and be heard concerning the matters contained in the preliminary resolution and report. The notice shall be published as a Class 1 notice, under Ch. 985, Wis. Stats., in the official Town newspaper and a copy of the notice shall be mailed, at least 10 days before the hearing or proceeding, to every interested person whose post office address is known, or can be ascertained with reasonable diligence. The hearing shall commence not less than 10 days and not more than 40 days after the publication or posting of said notice.

§ 130-6. Board Actions after Hearing.

- A. After the hearing, the Town Board may approve, disapprove, modify or re-refer the report to the designated officer or employee with such directions as it deems necessary to change the plans and specifications so as to accomplish a fair and equitable assessment.
- B. If an assessment is made against any property and an award of compensation or damage is made in favor of the property, the Town Board shall assess only the difference between such assessment of benefits and the award of compensation or damage.
- C. If the work or improvement has not been previously authorized or approved, the Town Board shall approve the work or improvement and, by resolution, direct that the same be done and paid for in accordance with the report finally approved.
- D. If the work or improvement has been approved by the Town Board or work commenced or completed prior to the filing of the report or prior to the hearing, then the Town Board shall, by resolution, confirm the report as made or modified and provide for payment in whole or in part by assessment.
- E. The Town Clerk shall publish the final resolutions as required in § 130-5 of this Chapter.
- F. After the publication of the final resolution, any work or improvement provided for and not yet authorized shall be deemed fully authorized and all awards of compensation or damage and all assessments made shall be deemed duly and properly made, subject to the right of appeal by § 66.0703(12), Wis. Stats., or any other applicable provision of law.

§ 130-7. Combined Assessments.

If more than a single improvement is undertaken, the Town Board may combine the assessments as a single assessment on each property affected, except that the property owner may object to any one or more of said improvements.

§ 130-8. Authority to Amend, Cancel or Confirm Special Assessment.

If, after completion or after the receipt of bids, the actual cost of any work or improvement is found to vary materially from the original estimate, or the assessment is void or invalid for any

reason, or if the Town Board determines to reconsider an assessment, it is empowered, after giving notice as required in § 130-5, to amend, cancel or confirm any prior assessment, and notice of this amending, canceling or confirming shall be given by the Town Clerk as provided in § 130-6 of this Chapter.

§ 130-9. Where Cost of Improvement is Less than assessment.

If the cost of the work or improvement is less than the assessment levied, the Town Board, without notice or hearing, shall reduce each assessment proportionately. If the assessment has been paid either in part or in full, the Town shall refund the property owner such overpayment.

§ 130-10. Appealed Assessments Payable When Due.

Pursuant to § 66.0703(12)(f), Wis. Stats., it shall be a condition to the maintenance of any appeal that any assessment appealed shall be paid when due and payable, and upon default in payment any such appeal shall be dismissed.

§ 130-11. Special Assessment a Lien on Property.

Pursuant to § 66.0703(13), Wis. Stats., any special assessment levied under this Chapter shall be a lien on the property against which it is levied on behalf of the Town. The Town Board shall provide for the collection of such assessments and may establish penalties for payment after the due date. The Town Board shall provide that all assessments not paid by the date specified shall be extended upon the tax roll as a delinquent tax against the property, and all proceedings in relation to the collection of such delinquent taxes shall apply to such assessment, except as otherwise provided by statute.

§ 130-12. Special Charges.

- A In addition to all other methods provided by law, special charges for current services may be imposed by the Town Board by allocating all or part of the cost to the property served. Such services may include snow and ice removal, weed elimination, street sprinkling, oiling or tarring, repair of sidewalks or curb and gutter, garbage and refuse disposal, recycling, stormwater management, including construction of storm water management facilities, tree care, removal and disposition of dead animals under § 60.23(20), Wis. Stats., loan repayment under § 70.57(4)(b), Wis. Stats., soil conservation work under § 92.115, Wis. Stats., and snow removal under § 86.105, Wis. Stats. The Town Board may determine the manner of providing notice of a special charge. Before a special charge for street tarring or the repair of sidewalks, curbs or gutters may be imposed, the Town Board shall conduct a hearing on whether the service in question will be funded in whole or in part by a special charge. Notice of the hearing shall be given as provided in § 66.0627(3)(b), Wis. Stats.
- B Such special charges shall not be payable in installments. If not paid within the period fixed by the Town Board, such delinquent charge shall become a lien as provided in § 130-11 of this Chapter.

C. Section 130-2.A of this Chapter shall not be applicable to proceedings under this section.

§ 130-13. General Provisions.

- A. If any assessment or charge levied under this Chapter is invalid because such statutes are found to be unconstitutional, the Town Board may thereafter reassess such assessment or charge pursuant to the provisions of any applicable law.
- B. The Town Board may, without notice or hearing, levy and assess all or any part of the cost of any work or improvement upon the property benefited if notice and hearing are waived in writing by property owners affected.
- C. Notwithstanding any other provision of law or this Chapter or other ordinance or resolution, it is specifically intended and provided by this Chapter that the Town may levy special assessments for work or improvement against the property benefited either before or after the approval of the work plans and specifications, contracting for the work or completing the work or improvement.
